ICA Principles & Large Co-ops

Webinar April 25

Key Issues

- Challenges of co-op scale are universal – co-ops are having to learn how to do this as never before.
- How they are addressed varies from co-op to co-op
- Key factors that affect how scale issues are handled
 - Quality of leadership
 - Re-creation of co-op culture through education & training
 - Nature of environment & institutions within which co-ops operate
 - Legislation & policy environment
 - Capitalization issues
